

ROAD TO HOLY DISCERNMENT

Doing God's will....finding common ground.

November 2023
Issue 4

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another....

-Hebrews 10:24, 25

The God we serve is a God of unity who desires that His church live in *unity and harmony* built on the foundation that is Jesus Christ. It is Jesus who draws us together and the power of the Holy Spirit that makes our bond stronger. Since the beginning of Holy Discernment at Bethany, a call for unity among the congregation has been stressed. While many of the members of Bethany have sought and prayed for unity during this period of discernment, others have questioned the purpose of being united in thought and purpose.

Bethany is a church made up of many *different people* with *differing values and opinions*. Some members value doctrine, some social responsibility, and some discipleship among a host of many other values. **These values and opinions are important, but God declares that in His Kingdom, nothing is as important as being *united in love*.**

God calls Bethany to be a *vibrant and powerful* church that bears much fruit and the way we do that is by working together in perfect unity, not perfect doctrine, not perfect leadership, or even in perfect agreement with one another. Like many churches today, Bethany is experiencing a great deal of divisiveness regarding its future all in the name of truth, but is the truth something that is to bring division within our body of believers? **The truth, when focused on the person of Jesus Christ, will bring unity and not division.**

The enemy Bethany is fighting is *not intimidated* by a church that is fighting and being divisive with one another. Only when we are brought closer together by the love of God and one another are we in perfect unity with God and a threat to the enemy. **God values unity and values relationships with each other within Bethany.**

So how do we begin the process of being in unity with one another? The following is a step-by-step process based on scripture.

Repentance

Humility

Vulnerability

Trust

Communication

Relationships

Each one of these steps will be highlighted in future newsletters. It is our hope that you will read prayerfully and understand that Christian Unity does not mean we all have to have the same opinions on everything. It means that we share a faith that will allow us to deal with our differences in Christian love and understanding as we pray for God's blessings and for his will to be done. The **first step** is:

Repentance

Matthew 3:8 “Bear fruit in keeping with repentance.”

*If we are truly repentant, we should **show it** through our actions and behavior. Our good works must demonstrate the sincerity of our repentance. Our divisiveness is a sin and not in accordance with the unity God calls us to be therefore **let us repent.***

2nd Peter 3:9

*The Lord is not slow to fulfill his promise at some count slowness but is patient toward you, not willing that any should perish but that **all should reach repentance.***

2nd Chronicles 7:14

*If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will **forgive their sin and will heal their land.***

BETHANY UNITY PRAYER

Gracious Heavenly Father,

We come to You, acknowledging that Bethany is Your church. You have brought together people who love You and Your church with a desire to serve together in Your Kingdome. Give us a spirit of humility, gentleness, and patience. Help us be united in thought and purpose. WE seek the Holy Spirit to enable us to see our sin and suffering caused by our division. Unite us in seeking Your perfect will for Bethany.

In Your Holy Name we pray.
Amen

Life Together: Videos explore what UMC means to people

Oct 22, 2023

What does The United Methodist Church mean to you personally? The South Carolina Conference of the UMC, is putting together brief videos sharing reflections from United Methodists on the church and how it impacts their lives and ministry. Titled “Life Together,” the initiative comes at a time when many are feeling disheartened by the ongoing conflict in the denomination. None of the reflections are political statements but rather personal contemplations of why people appreciate the UMC, both in their youth and today.
