## MONTHLY NEWSLETTER BETHANY UNITED METHODIST CHURCH

### Looking beyond the blessing!

Jesus told His disciples to go into the deep waters and let down their nets for fish. When they did, their nets were filled up with fish to the point of breaking. Being fishermen and businessmen, they may have been tempted to start doing business. I mean, think how much they could make!

But God had a different purpose. The disciples' occupation as fishermen was just a vehicle for God to demonstrate His great power and love. He wasn't blessing them with fish so that they would get excited about fishing. He was blessing them with fish so that they could get their eyes off their fishing and on to the greater call He had for them! Thankfully, they left the fishing business and went off with the Lord to do great and mighty things.

Too many of us are wrapped up in fish. We seek the Lord for His blessings, prosperity, and success. But true discipleship is focusing not on the blessings of the Lord, but on the Lord of the blessings! Our commitment to Bethany shows our true discipleship. Our prayers, our presence, our gifts, our service and our witness are important commitments that we have made. Does our commitment to our church reflect that of one who is wrapped up in fish or one who is focusing on the Lord of the blessings?

As we move from a reflective season of Lent to the joyous season of Easter, may we look inward and see where we are and reconnect to where we need to be. I know that there are many things that have completely turned our church (and our lives for that matter) upside down, but in the midst of all that is going on, can we see the silver lining among the dark clouds? Can we see the eye instead of focusing on the storm? There have been many blessings that we have shared together. However, we can rejoice in our blessings, but let's not dwell on them! Let's set our eyes on the Lord and the calling He has for us. When He sees that we have pure and willing hearts, He will be faithful to use us to accomplish His glorious plan!

During this season of Easter (and all seasons for that matter), may we keep our eyes on the Lord of blessings!

# ***Ecuador 2023 Mission Trip***

After having to delay the Ecuador 2023 Mission Trip until October, the team finally completed the trip October 14-28, 2023. Our team was smaller than in past years and included Brittany and Steve Bishop; Hank Bennett; Jason Engermann; Roland Fulcher; Noah Tidwell; Billy Hay; Arnold Huskins; Jim Parrish; Roanna Payne; Benjie Rodgers; and James “Bubba” and William Smoak. We were blessed with an uneventful flight this year. Sara Flores and Dakin Cook our missionaries in Ecuador met us at the airport. Together we made the 2 hour trip to Pastocalle. It was late when we arrived and everyone was tired. So we quickly went to bed after unloading the bus.

Our first Sunday was election day, so the church did not have services. After breakfast, we did some sightseeing for the benefit of the new folks on the trip. We went to the rock that was thrown out of Cotopaxi. We also got to go to a rose plantation. The owner was so proud of his roses and happily shared information about them. I was even the recipient of 6 beautiful long stemmed yellow roses. We also went to a historic museum and toured some beautiful grounds. Then finally stopped by the school to check out what we would be doing. Not much work had been done on the school over the past year except for building the fence around the property.

We were expecting cool rainy weather but were pleasantly surprised. The days started out overcast and chilly but when the sun came out, it was warm. There would be rain around us along with lightning in the mountains, but we only had to stop one day due to the rain.

A lot was accomplished the first week to get the roof over what would become a chapel and office space. This included preparing the metal beam and getting the area ready for the beams to be installed. We had some help from the neighbor’s young turkey chicks. They came to visit and even tried to help Hank. Once the metal A-frames were built, a crane was employed to raise them into place. This was fascinating to watch. The crane lifted the welding equipment as well as other supplies to the roof the current building, then began the process of lifting the A-frames into place. Pretty impressive for a bunch of inexperienced workers.

Noah celebrated his 18<sup>th</sup> birthday with us. Roland and Steve worked with the kitchen staff to have a pizza party for him instead of a regular meal. It was a lot fun and the joy on Noah’s face was nice to see. Ecuador pizza was pretty good.

The kids did a show for us each week to show their gratitude for us working the school. We also met with the Bishop of the Methodist Church in Ecuador. He provided us with a plaque that will be hung in the chapel and English version to be hung at Bethany.

Several days had 2-3 team members going to the current school to meet with the students. They are learning English and wanted to practice with us. One group talked to the 6<sup>th</sup> graders about professions and what the students wanted to do once they finished high school. Another group did “head and shoulders, knees and toes” with the 4<sup>th</sup> graders. That was fun to watch. The final group read books in English to the other children. Jason Engermann stole the show with this reading about animals and the sounds they make. The kids loved this.

Saturday, we drove to Mindo and toured an artisan chocolate plantation. We sampled all kinds of chocolate including chocolate tea and BBQ sauce. Changing of the guard at the airport with the drop off those leaving and pick up those arriving. Brittany’s luggage did not arrive and would be delivered later in the week.

Sunday had us going to church. The church is small with less than 50 attending. Roanna gave the message entitled “Won’t you please be my neighbor”. That seemed to be the theme for daily devotions over the course of the 2 weeks. Every year a theme emerges without us planning it. After church we toured a museum.

The second week went quickly and we were out of business before we knew it. Jason coordinated the welding and placement of the tiles on the A-frames. We did some touch up painting and the work was done. The local dog visit came to visit us regularly for our leftovers. Each day, the dog would be waiting patiently for his afternoon treat, and eventually he seemed to invite his other dog friends to come by as well. They were so eager and excited for Roanna to feed them that they would jump in the air for joy when it was feeding time.

Our last Friday had us going back to Quito. We went to the craft market. Saturday had the group split into 2. Some went to the cathedral and La Mitad del Mundo. The rest of us went back to Mindo. While there, we did the chocolate factory again as well as a butterfly and humming bird sanctuaries. It was really exciting to have humming bird drink nectar out of a cap in your hand. Later in the evening we all packed, went to dinner and the airport for an overnight flight home.

God blessed us richly on this trip. This will be the last trip to work on the school as another organization will be taking over the construction. We hope to continue our relationship with the school through Missions

Possible. Sara and Dakin said they would keep us updated on the progress that will be made. Hopefully we will be able to return for the dedication.

## **Kevin Jarvis**

*Singer, Songwriter, Praise Band Leader*

This month's entertainer is singer, songwriter, and multi-instrumentalist Kevin Jarvis. Kevin was born, raised, and now lives in Sumter, SC. He grew up hearing a wide variety of music from country to classical, from church hymns to hard rock. From that heritage, he believes that music should be positive in influence and spiritually uplifting. One reviewer described his music as "real, down-home songs about life, love, and loss." Kevin has released music as a solo artist and as a member of different singing groups such as *Farpoint, From the Morning, Greyfeather, Mercy's Hand* and *The Green Swamp Collective*. Having also played in various church praise bands, Kevin is currently the band leader at First Church of God in Sumter.

- How to deal with the physical, emotional, and spiritual aspects of grief
- How grief affects one's relationship with God & others
- How the hope of eternity helps in the journey through grief
- How you can take the necessary steps toward healing

# ASCEND

We continue to have a growing group of young people attending Ascend every Sunday Night. We meet at 5:30 for dinner and then get started with youth lead group games, The Ascend Praise Band, a message and then transition to small groups. Come out and check out what we are doing each and every Sunday Night.

Over the past month we have been extremely busy, traveling to Plum Creek, North Carolina for our annual winter retreat at TVR. We had an amazing weekend, hiking, skiing, fellowship and growing in our relationships with each other and God. We are already counting down the days to TVR 2025.

We also traveled to the Hinton Rural Life Center in Hayesville, North Carolina for our Confirmation Retreat. We have eighteen young people going through the Confirmation process this year and this was a great kickstart to that journey.

We have also begun a partnership in the community with the Hands of Summerville, a non-profit organization that helps provide food and other essential items to families in need in the Summerville area. We had our first service opportunity with them during the Missions Possible and we look forward to many more opportunities for our Youth to serve in their community.

Finally we are in the process of finalizing our summer calendar and will be getting that out shortly. We are looking forward to continuing to serve the students of Bethany and the Summerville community throughout the summer months.

# ***Child Development Center***

Spring is such a wonderful time of year... new growth, new life, the miracle of Easter – there are so many things to celebrate!

At Bethany CDC, spring is exciting because we get to see how much our preschool and kindergarten students have grown throughout the school year. The CDC halls are filled with the joyful sounds of children laughing and singing, relishing the independence of newfound skills and the comfort of warm friendships made here at school. We are truly blessed by our sweet students and families!

## ***Prayer Shawl Ministry***

The Prayer Shawl Ministry is an important ministry at Bethany. The shawls are prayed for as they are made, the pastors bless them, and they are given out to support people in Christian love and support.

The Prayer Shawl Ministry meets quarterly, the first Monday of the quarter - January, April, July, and September in room 118 at 2 pm.

If you have any questions about being a part of this meaningful ministry or if you would like to give one of the prayer shawls to a person in need, please contact Marge Veneziano at 843-607-4519.

## ***The Flowertown Festival will soon be here. We need lots of help with the following areas:***

**Parking** – Parking will be staffed by the entire congregation, not just Youth. Monies raised will be divided up between Youth, Local and Global Missions. Help is needed with the Parking Lot Entrance (taking money and handing out parking passes) and with directing cars to spaces in the lot.

**Hospitality Area** – Tables and chairs will be set up for Festival visitors to enjoy themselves. Help is needed to keep the area clean and interact with visitors. We will not be handing out water this year.

**YMCA Hospitality Suite** – The YMCA is using a room by the gym for a Hospitality Suite for their staff and sponsors. A volunteer is needed to monitor the area and make sure that everything is going well. Also, the vendors who rent space on our property will need access to the restroom, so this volunteer will man the exterior building door for them.

**Pancake Breakfast** – Volunteers are needed to work in the kitchen, the serving area, the dining room and the dishwasher area. This is Saturday morning from 6-11:30am. Tickets for the pancake breakfast are \$5 each and do not include parking.

Sign-Up online at <https://bethanyumc.ccbchurch.com/goto/scheduling/41/public> or on the bulletin board near the water fountains downstairs.

### **Flowertown Festival Parking Passes**

**Parking on church property for the Flowertown Festival will be \$20 per day. Bethany members are able to pre-purchase passes at a discount. One-day passes are \$10 each, or you can purchase a weekend pass for \$20.**

**All purchases must be made at Bethany in person. Passes will be available for sale on Wednesday evenings and Sunday mornings, and anytime in the Business Office during business hours.**

**Parking the days of the Festival will be \$20 per day at the gate, even for Bethany members. There will be no charge if you are attending worship on Sunday morning, but please do not leave your car in the parking lot to visit the Festival without paying for parking.**

**Also, parking is not included in Pancake Breakfast ticket purchase. All money from parking will be divided between Bethany Youth, Local and Global Missions.**
